EDUCATION

Bachelor of Science in Information Technology

University of Central Florida - 2026

TECHNICAL EXPERIENCE

Computer Communication Networks Lab

- Gained hands-on experience with TCP/IP, Ethernet, and networking protocols
- Designed and configured networks using routers, switches, and structured cabling
- Performed network troubleshooting and connectivity testing in lab environments
- Applied foundational concepts in routing, switching, and network infrastructure

Three-Tier Web Application

- Developed a full-stack web application using Java Servlets and MySQL
- Implemented role-based user access and SQL command execution
- Applied business logic to process and validate shipment data
- Tested application functionality and ensured accurate database interactions

Cisco Packet Tracer VLAN Network

- Designed and configured a network using VLAN segmentation and switch port assignments
- Configured router interfaces and verified connectivity between network segments
- Performed troubleshooting using CLI commands and network testing tools
- Demonstrated understanding of TCP/IP, switching, and network infrastructure

SKILLS AND CERTIFICATIONS

- **Certifications:** CompTIA A+, AWS Cloud Security Foundations (Training)
- **In Progress:** CompTIA Network+
- **Technical Skills:** Hardware Troubleshooting, Operating Systems (Windows/Linux), Networking Fundamentals
- **Tools/Technologies:** Cisco Packet Tracer, MySQL, GitHub, Command Line (CLI)
- **Programming:** Java, SQL, HTML/CSS

EXPERIENCE

Tutor - Kumon Learning Center (3 months)

- Assisted students in math and reading comprehension through structured learning methods
- Adapted teaching approaches to fit different student needs and learning styles
- Strengthened communication and problem-solving skills

Stock Associate - Five Below (6 months)

- Organized inventory and maintained stockroom efficiency in a fast-paced retail environment
- Assisted with product placement and ensured accurate inventory management
- Demonstrated attention to detail and time management

Cook - Zaxby's (6 months)

- Prepared food while maintaining safety and cleanliness standards
- Worked efficiently in a high-pressure team environment
- Managed time effectively to meet order demands
